Academic Scholarship Programs
For Freshman, Transfer, and Current Undergraduate Students

Thank you for your interest in pursuing a degree from the David Eccles School of Business. The School of Business is pleased to be able to offer scholarships provided by the University, the School of Business, alumni and private donors, and are awarded on the basis of academic excellence and promise of future achievement. Financial need is an additional factor for some scholarship awards. Scholarships are reserved for students interested in pursuing a degree in business who have not yet earned a baccalaureate degree.

Deadline
Complete applications must be received by March 15, 2011. To receive full consideration, students should submit applications on or before the deadline. Late applications will be accepted but may not receive full consideration.

Criteria
All scholarships are awarded based on academic excellence, leadership, and civic activities. Academic scholarships for students entering college from high school are based on high school course selection/grades and ACT or SAT scores (no preference). Scholarships for transfer students are based on coursework as reported on the University of Utah Summary of Transfer Credit. Scholarships for current University of Utah students are awarded based on the University of Utah unofficial transcript and, if applicable, the University of Utah Summary of Transfer Credit.

Decision Notification
Students who submit a complete application by the deadline of March 15 will be notified of the scholarship committee’s decision in time for registration for Fall 2011. Notification will be sent to a student’s University of Utah email address.

Eligibility
To be considered for any University Scholarship, you must be admitted to the University as a degree-seeking student and be on record as a student planning to pursue a degree from the School of Business. The application for admission can be found at www.sa.utah.edu/admiss/. December 1, 2010 is the preferred filing date for admission to the University.

Some scholarships are dependent on financial need and are awarded to students who have completed the University of Utah Financial Aid application process. Instructions can be found at www.sa.utah.edu/finance/.

Selection of recipients is made by the School of Business Scholarship Committee. Please review the information carefully to ensure your application receives full consideration.

Scholarships are for Fall 2011 and Spring 2012 semesters. Recipients are required to enroll in a minimum of 12 credit hours, maintain good academic standing, be actively pursuing a degree in the School of Business. Students receiving named scholarships are expected to attend a scholarship luncheon in the fall of 2011.
